How can MSK Direct help?

Choosing where to get treated first for cancer is one of the most important decisions you will ever make. At MSK, cancer is our only focus—and our patients live longer, healthier lives because of it.

Fast Access to Top Doctors

Call your dedicated MSK Direct phone line and you can be seen within two business days by one of MSK's top doctors specializing in your type of cancer.*

Personalized Support

MSK Direct Care Advisors quickly connect you with the right doctors and take care of everything—from gathering your medical records to preparing you for your first appointment.

Expert Cancer Care, Close to Home

You can get the same world-class care MSK is known for at [any of our locations](#)—throughout New York City, Long Island, Westchester, or New Jersey. If you are not able to come to MSK, we'll help you find the best hospital close to home that is covered by your insurance.

Second Opinions from MSK Experts Made Easy

You can get a second opinion in person or have MSK send a written report directly to you and your doctor if you don't live close by.
